What is Gift Aid?

Are you and your guests UK taxpayers? If so, you can increase the value of your donation by 25% at no extra cost to you. So for every £1 you give Make 2nds Count, we'll get an extra 25p from HM Revenue and Customs.

How to Gift Aid your donations

Please don't Gift Aid the total amount you collect — instead ask each guest to Gift Aid their own donation.

Each guest must complete their Gift Aid donation in their own handwriting.

Follow these simple steps:

- Ask your guests to fill in their details on the form and tick the box to Gift Aid their donation(s).
- Don't forget to do the same if you've made any donations.
- Complete your form and email it to hello@Make2ndsCount.co.uk

If you have any questions about Gift Aid or need to request another form please visit Make2ndsCount.co.uk or email hello@Make2ndsCount.co.uk.

Thank you for supporting Make 2nds Count!

^{*}If I have ticked the box headed 'Gift Aid?', I confirm that I am a UK Income and/or Capital Gains taxpayer. I have read this statement and want Make 2nds Count to reclaim tax on the donation detailed above, given the date shown. I understand that if I pay less Income Tax and/or Capital Gain tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay the difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.

Staying in touch - We'd love to stay in touch about the work we're doing to fight secondary breast cancer. We will not sell your details to third parties.
